My name is Amy. I am a Form 1 student at a secondary school in Tsuen Wan. Every morning, I wake up at half past six and get ready for school. I usually have breakfast with my family before I leave the house. My favourite breakfast is a bowl of congee with some fried noodles.

I travel to school by minibus. The journey takes about fifteen minutes. My school starts at eight o'clock. In the morning, we have four lessons. My favourite subject is English because the teacher, Mr Chan, always makes the lessons fun and interesting. I also enjoy Geography because we learn about different countries and their cultures.

At lunchtime, I usually eat in the school canteen with my friends. We talk and laugh together. After lunch, we sometimes play badminton in the sports hall.

In the afternoon, we have three more lessons. School finishes at half past three. After school, I go to a tutoring centre to do my homework and revise for tests. My tutor is very helpful and explains things clearly. I usually get home at around seven o'clock in the evening. Then I have dinner, take a shower and go to bed by ten o'clock.
